

Burning Permits

Burning permits are for 5 DAYS ONLY!

Remember you must get your permit before you burn, from the Town Hall during business hours, a Board member or from one of the following:

- We encourage you to burn your brush/yard waste during the winter months when there is a snow cover.
- Both the Onalaska and Shelby fire departments advise not to create a huge fire, but a smaller one that can be fed from a larger pile.
- Also, remember to call the non-emergency numbers on the upper right corner of the permit before and after you burn. Make sure your fires are out before you call when finished burning!
- If you burn without a burn permit, you will be charged for a fire call.

Christmas Tree Collection

A dumpster will be available from December 26, 2017 until January 9, 2018 behind the Town Hall for tree disposal. Please remove all tinsel as well as the plastic tree bag before placing them in the collection box. Please do not throw them on the ground.

**HAPPY
HOLIDAYS!**

Refuse/Recycling

The 2018 Recycler brochure will be mailed out separately. The first and last page has a list of multiple townships that participate in the program along with general information on recycling. Pages 2 and 3 have information that pertains only to the Town of Medary. Please save this brochure for future reference. If you do not receive it or need additional brochures, they are available at Town Hall.

Your 2018 Recycler has the Refuse/Recycling Collection Calendar and information on how the co-mingle program works.

Clear bags or light milky-colored bags that you can see through must be used for your garbage. Solid-colored white, black or brown bags are not acceptable. If we receive a notice from Harter's that residents are not using clear bags for trash or that recyclable items are in the trash and not in the recycling bin, Harter's will tag the colored bags. You will be responsible for taking recyclable items out of the trash, placing them in the recycling bin, and transferring the trash from a colored bag to a clear bag.

REMINDER: If you move out of the township or to a different house in Medary, the recycling bin stays with the original house. Please leave your recycling bins behind for the new residents. All newly constructed homes receive their recycling bin from the clerk at Town Hall. The replacement bin fee is \$10.
