Road Matters

- Driveway at N3619 Smith Valley Road – Big Problem. Water is running down the road even on sub zero days and pooling on the Smith Valley Road and freezing. Tom cannot get ice cleared from road. Our town road is deteriorating because of this. Will look into State Statutes as to our authority for the repair of the road. Linda will send letter to look at the driveway on the road tour.
- Town culvert is plugged across road near town hall. Will need to let it thaw itself.
- Will put up Road Bans as soon as available. Timbercrest E, French Road and Crestwood Lane.
- N2310 Smith Valley Rd – Cold mix patch did not hold up. Will look at it on Road Tour
- Sand/Salt estimate. Diane will call Leif at the County to determine amount. (3 year average)
- Will call Town of Barre to find out about their sand/salt storage shed. Size? Price?

Citizen Concerns

- Bridge on Highway 16 is to be replaced in 2022. Concerns as to the intersection at Hwy 16 and County Road B – no signal lights? How will fire equipment access County Road B during construction?
- FEMA money? Linda Seidel will meet with treasurer on Friday to get the needed information.
