Road Matters

- **Culvert under Dirk Olson Driveway**

Town Attorney has advised that the new culvert needs to meet new standards for 25 years going forward.

Motion: Linda Seidel – Due to legal nonconformance and because the culvert has failed, we will follow the directive of the Town Attorney to have the homeowner design the culvert that meets 25 years standards of the Town of Medary Driveway Ordinance. Plans to be approved by the Town of Medary Board.

Second: Dean Taylor. All Aye

- **Resident to plow Three Town Road.**

Resident requests to be able to plow himself out of Three Town Road. Road maintenance will check the road but has no problem if the resident plows the road.

- **Citizen Concerns** – Stonehill Valley Homeowners Association reported that there is a lot of blockage along the waterway. They want to make sure that the Town will move forward with work that is determined to be done. Road maintenance will move forward with repairing the areas in phases with the most damaged areas first as weather and time allows.

- **Town to solidify contract with the City of La Crosse for Building Permits.**
