

## Medary Family Fun Day

This year the Medary Family Funday was held on August 26th. We were able to serve over 220 meals and raise over \$3,100.00. The funds we raised go right back into serving the needs of the township. Recently, we have been able to install playground equipment, plant trees near the playground, provide permanent garbage cans for the shelter and, in spring, we plan on installing park benches around the playground equipment.

Our local families were able to enjoy free children's games, live music, pony rides, see tow trucks in action, visits by the La Crosse County Sheriff, the Gundersen MedLink helicopter, and more. The memories made among our community members helps to build and strengthen our relationships.

The Medary Family Fun Day Committee would not be able host such an exciting event without the generous support of our caring community.

We remain,

The Medary Family Fun Day Committee,  
Steve Elsen - Special Event Chairperson
